6 Light Chandelier (with shade)

Colson is a collection of transitional and industrial-chic fixtures. Ideal for lofts, farmhouses and contemporary interiors, curvaceous arms sit inside simple round frames. The collection offers an extensive line of ceiling fixtures. Fixtures may be purchased with or without metal mesh shades. The optional shades shield the exposed bulb of these elemental fixtures. The fixtures are available in four finishes: a soft Pewter, dark Etruscan Bronze, smooth Matte Black, and stunning Olympic Gold to suit your tastes. This 6-light chandelier creates a stylish focal point with warm ambient lighting that is perfect for intimate living and dining areas or task lighting.
